Nova Door

A name that millions trust

Our Vision

"Empower doors distributors in Nepal to unlock their full potential and soar to new heights by joining forces with us."

World's Finest Doors for Nepal's Finest Homes

Nova Door is the manufacturer of different types of doors and is known for unique innovations that enhance your lifestyle and offer solutions par excellence.

A home is where the heart lies. What's a home without the warmth of your living space and family? Nova thereby brings to you doors that transform your house into a home. Based on unique innovative solutions, our doors enhance your lifestyle.

In's time-pressed lifestyle when you are too busy to get into the hassles of construction or maintenance at home, Nova comes to your rescue. We help you create an abode that pleases your eyes, calms your mind, and exudes positivity. Our factory-made doors are professionally installed at your place without having you run around for carpenter, painting, or accessories. With a year warranty, durability, and smooth-to-operate doors, your busy life is sorted without the bothers of repair or maintenance. Nova is meant to suit your lifestyle.
